Ninth Amicus – They took the President of the United States to a bunker Friday night, May 29th 2020
because of the riots outside of The White House

If I were President, I would have considered myself a failure if there were riots, not protests, but riots outside of The White House. I also would not be a coward and retreat to a bunker. The buck would stop with me. I would honor the oath that I took as I have always done. I have given my life to my country. Joe Biden is no better. 36 years as a U.S. Senator and 8 years as Vice President and you are watching the results. Americans are burning America. The Declaration of Independence calls for it: *"But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security."*

UNITED STATES COURT OF APPEALS
FOR THE DISTRICT OF COLUMBIA CIRCUIT

Andrew McCabe,

Appellee

v.

William Pelham Barr, in his official capacity

as Attorney General, et al.,

Appellees

David Andrew Christenson,

Appellant

Case No: 19-5281

Civ. Action No: 1:19-cv-2399-RDM

Eighteenth Supplemental Petition/Application/Motion for En Banc

Amicus/Notice 177 – Look around at the world you have created and don't kid yourself you created it.

All Americans are the loses and that includes you.

IF THERE IS STILL TIME, **MANKIND CAN BE SAVED BY SIMPLY CHANGING THE NARRATIVE.**

4. W
FV 1/2
BLOOD, AMERICAN BLOOD WILL BE SPILLED IN THE STREETS BECAUSE YOU ARE COWARDS AND LIVE BY SOME PERVERSE SET OF INTEGRITY, ETHICS, MORALITY AND STANDARDS. YOU HAVE ALWAYS BEEN THAT WAY BUT AT LEAST NOW WE CAN CALL IT BY ITS LEGITIMATE NAME: "THE TRUMP PARADIGM".

THE LAW OF THIS COUNTRY IS THE PREAMBLE. YOU ARE INTENTIONALLY NOT UPHOLDING THAT LAW.

HOW CAN SOMETHING SO SIMPLE MAKE YOU AFRAID?

Preamble

We the People of the United States, in Order to form a more perfect Union, establish Justice, insure domestic Tranquility, provide for the common defense, promote the general Welfare, and secure the Blessings of Liberty to ourselves and our Posterity, do ordain and establish this Constitution for the United States of America.

My quest, mandate, mission per God is to kick the shit out of the Judiciary until they protect the Constitution. Do you really think I come up with these ideas on my own? Wake up. Do you think it was my choice to get carnally abused by everyone that had an ethical, legal or moral obligation to protect the Constitution? Hell no. God will keep creating these situations until it is too late and it probably already is.

The course correction has to come from the Judiciary which is Constitutionally legitimate. Without the course correction we are doomed just like every other government in the history of Mankind. My

multiple Writs of Mandamus and Prohibition allowed the Supreme Court to make the course correction but they abrogated their responsibilities for some arcane reasons.

My unwitting allies are Trump, **Roberts**, Pelosi, McCarthy, McConnell, Schumer, the other Demigods, etc. They will ensure that the truth comes out. They will ensure that we have a bloody revolution.

Think about this:

The greatest failure of the Supreme Court is that they have never acknowledged (The Constitution established) that they are the final protectors of the Constitution and specifically the Preamble of the Constitution. The second greatest failure of the Supreme Court is they have been subservient to the Executive and Legislative Branches when in fact they are the Dominant Branch. Everything that the Executive and Legislative Branches do is subject to review by the Supreme Court. The Supreme Court has absolute authority while the Executive and Legislative Branches must work together. Marbury v. Madison established Judicial Review but that is secondary to the protection of the Constitution.

Who is responsible for the contentious environment that we live in? Why does the Rule of Law no longer exist? **The contentious environment and destruction of the Rule of Law are Major National Security issues.**

"America will never be destroyed from the outside. If we falter and lose our freedoms, it will be because we destroyed ourselves." - Quote attributed to Abraham Lincoln.

Integrity, Ethics, Morality are what makes Rule of Law work. The Supreme Court has distanced itself from being this country's moral compass – "follow the law" - but that is a mistake. It takes Integrity, Ethics and Morality to follow the law.

Each of the case I have listed below has to do with the Protection of the Preamble. Each case is much bigger than the one person or persons. Each is directly connected to a fair, impartial and informed election.

Judge Emmet G. Sullivan - Flynn

Judge Amy B. Jackson - Stone

Judge James Randal Hall - Winner

Judge Claude M. Hilton – Snowden and Assange

Judge Liam O'Grady – Snowden (Civil)

Judge Anthony John Trenga – Manning

Judge John G. Koeltl – Trump

Flynn and Stone will probably walk.

Godspeed

Sincerely,

David Andrew Christenson

Tenth Amicus – Censorship Equals Genocide – Look Around

I must comment on Center for Democracy & Technology v. Trump (1:20-cv-01456) District Court, District of Columbia Judge Dabney Langhorne Friedrich (Let's be honest. For profit media companies are suing Trump. They are using the First Amendment, at this point in time, because it is profitable. Pardon my language but they don't give a **f***** about the First Amendment unless it is profitable. They are whores.) (It seems I have an anger issue and I do because I am watching my fellow Americans die because of Censorship.)

The Pandemic, the Social Unrest and the Economic Collapse of the World's Economy are the direct result of Censorship. What is taking place is the Genocide of Mankind.

The First Amendment is crucial to our survival and yet everyone censors us. Look around. We are past the precipice of hell and accelerating.

At one time I had multiple websites, multiple YouTube accounts with over 750 videos, multiple Twitter accounts, multiple Facebook accounts, etc. and all have been removed from the internet. 99% of what I did on the internet has been sanitized and censored. I don't exist.

The Federal Judiciary censors me in violation of the Constitution.

The Complaint is frivolous, for profit and more sinisterly it is political. It is arrogant for them to think that they have a right to decide what "Free Speech" is. Everything on the internet is about marketing. Everyone is trying to sell you something. All of the media companies sell your information. They want to censor anything that hurts their profits. What the media companies have done is infinitely more harmful than what Trump has done. If Mankind is to survive, we have to have an uncensored America.

If the media companies want to "comment" and "criticize" then it has to be nondiscriminatory, nonbiased and nonprejudicial. They must "comment" and "criticize" everyone or no one.

Here is the Introduction from the Complaint: 1. *"President Trump's May 28, 2020 "Executive Order on Preventing Online Censorship" ("Executive Order") violates the First Amendment in two fundamental respects: First, the Order is plainly retaliatory: it attacks a private company, Twitter, for exercising its First Amendment right to comment on the President's statements. Second, and more fundamentally, the Order seeks to curtail and chill the constitutionally protected speech of all online platforms and individuals—by demonstrating the willingness to use government authority to retaliate against those who criticize the government."*

All you have to do is read The New York Times and FOX News to understand why we are screwed. They publish pure propaganda for profit and they truly don't care who lives or dies.

Eleventh Amicus – **ANTIFA**

Antifa will ensure that the truth comes out. There are three different funerals for George Floyd. Minnesota, North Carolina and in Texas on June 9th, 2020. Floyd's death is one of those cataclysmic events. There is no way that the officers will be convicted. **THE U.S. MILITARY WILL BE CALLED ON TO PUT THE JUSTIFIED INSURRECTION DOWN. WILL THE MILITARY MURDER THEIR FELLOW AMERICANS?** I will not be able to protect the Federal Judiciary. I lose that ability the longer this goes on.

Attached is something I wrote about running for President eight years ago. The YouTube video has been removed and sanitized from the internet. An old resume is attached as well.

I, David Andrew Christenson, am announcing my candidacy for President of the United States of American. I will lead this nation to greatness. Honor, ethics and morality will be instituted into our society. Notice that I did not say restored. I will enforce the rule of law. I am 51% a Socialist Republican and 49% a Capitalistic Democrat. It is the Centrist Party. I believe in a small Federal Government with a strong military.

I would like to say that I am the first terrorist to run for the Presidency but I am not. When I assume office I will not even be the first terrorist to be President.

My core belief. I believe in the circle of life. Faith, family, work and fun. I believe that there is a higher being and I absolutely believe in the devil.

What is a Centrist? In simple terms it means that the Federal Government ensures that our kids and our seniors are taken care of. Example: Our children will receive preventive medical and dental care. Schools will not only provide an education but they will provide extracurricular activities as well. These extracurricular activities will help our nation produce well balanced individuals. Our kids will play soccer. Everyone else will be taken care of by the Capitalists.

We are 17 Trillion Dollars, going on 25 Trillion dollars, in debt. Our country is dead and we are just waiting for the doctor to sign the death certificate. He has declared it to be a suicide.

Platform.

Two issues that I will not address, or campaign on are: gay rights and abortion. This goes for when I am President as well.

You will have Constitutional rights.

You will have Civil Rights.

There will be no discrimination.

I will tell this nation the truth about what happened in New Orleans.

I will not tax the rich. I will institute a national sales tax/transaction tax with a reduction in income tax.

No tax on those people that make One Million Dollars or more.

I will eliminate the tax on corporate dividends or the tax that individuals pay on those corporate dividends. I will not double tax corporations.

I will not allow the destruction of our military.

I will split up the DOJ.

Term limits.

The Federal Government will get out of the pension business.

Health. I will establish a national clearing house for health care. Americans will pay a small monthly fee to the Federal Government to manage their health care costs. Those that want to be self-insured will be.

The Federal Government will cover catastrophic claims.

Preventative medicine and dental for our kids.

Immigration. Middle of the road.

I will eliminate "life without parole".

I will be the President that unclassified our Government. What percentage of our Government's expenditures is classified? 35%.

Promote:

Agriculture. We will feed the world.

Medical.

High Tech.

Education.

Space.

May add to this.

Please tell your friends about my story and the ramifications to the American and Canadian people.
